

2020 Mission Team Request

Church: Journey Church

Location: Wasilla, AK

Dates: June 1- August 2020

Volunteers: 2

Contact: Bill Little 704.798.9090 pastorwlittle@gmail.com

Description: We need two people to come and stay the summer and help run the church thrift store. This ministry has touched the lives of hundreds of people in the four years we've been open. The store has a limited pool of volunteers to work with and the couple would be the primary volunteers for the summer. It is preferred they come in a motor home and can park in the back of the store and use our electric – water and sewer would be available locally.
