

Hello Church and Organizational Leaders-

Del Tackett and the Engagement Project is coming to Alaska! You know Del from *Is Genesis History*, *The Truth Project* and other resources that continue to create value for Evangelicals.

The *Engagement Project* (EP) is a special one-day training with Dr. Del Tackett, based on his latest Biblical worldview small group series. Registrants will receive the *EP* DVD set at event check-in on May 22nd, as well as full access to the *EP* Leader's Support site (which includes streaming of the 10 tours).

Our hope is to see many people from our churches take advantage of this world class training directly from Del that equips, inspires, and motivates believers to live out and share the gospel as His disciples.

We also have the opportunity to meet with Del over lunch, graciously provided by his ministry. We'll interact with Del around the two important questions he answers in *The Engagement Project... Why did Jesus leave? Why does Jesus send?*

Schedule

* Participants must register for the Saturday *EP* training event.
