2021 Valeria Sherard State Mission Offering Week of Prayer

Sunday October 3rd

General Promotion

The Valeria Sherard State Mission Offering was established in honor of Valeria Sherard who gave her life in ministry to Native Alaskans in their villages. The offering is used in a variety of ministries across our state: state missions, associational missions, state wide camping, Birchwood Behavioral Health, the 2000 club, and Alaska Disaster Relief. Join us this week as we pray for just a few of the missional works that benefit from your generous giving to the Valeria Sherard State Mission Offering.

Mosaic Campus Ministry

Our primary objective is to Help Students Know Christ - We want to LEAD college students and others in the academic community to faith in Jesus Christ, CONNECT them to like minded believers and to the local church, DEVELOP them as disciples and leaders and TEACH them how to live a MISSIONAL lifestyle.

Mosaic Campus Ministry is about helping students achieve excellence in all parts of their lives and enabling them to be a more vital part in the their churches, on their campus and in their community.

Mosaic Campus Ministry does not tolerate activities that result in undue physical stress or any subtle or covert technique that will impair, make captive, or destroy an individual's freedom of thought. The Mosaic Campus Ministry will adhere to all policies and regulations of the University of Alaska, Anchorage and the Board of Regents of State Colleges and Universities.

Mosaic Campus Ministry is a student organization affiliated with the Chugach Baptist Association, the Alaska Baptist Convention and the North American Mission Board to minister to college students at the University of Alaska, Anchorage

Set Free Anchorage Josh & Katie Seely

Hello from Set Free Anchorage! Since we launched in February, we have quickly gained momentum. We have started a Celebrate recovery model church off of Spenard. Most of our attendees are straight off the streets. Most have had lives you and I cannot even imagine. We meet their needs where they are and provide a hot meal for them every Saturday night. After we feed them we have a worship service with a Celebrate Recovery lesson. We started having small groups in July. We have anywhere from 10 -25 people with about 4 regular attenders. We just had our first baptism in July as well. Praise God! We have had people rededicate their life or accept Christ weekly. It is amazing to see! God is definitely working however, where God is moving so is Satan. Please continue to pray for us and this ministry. Thank you all for your continued support and prayers.

Prayer Requests:

- * Volunteers (Especially Worship)
- * Financial Support (do to the fact that many of these individuals cannot contribute financially)
- * Patience

Disaster Relief

Alaska Baptist Disaster Relief is a ministry of the churches of the Alaska Baptist Resource Network. Amid the Covid-19 limitations over the past 12 months, large numbers of Southern Baptist volunteers have responded with love, spiritual care, and action evangelism across America and around the world. Through partnerships with other Disaster Relief organizations we have continued to touch lives in year 2020 and now into 2021. We depend on the Holy Spirit, with action from our local churches to call-out and send out DR missionaries.

Friday October 8th

Birchwood Behavioral Health

Our mission is to foster a therapeutic environment for the youth of Alaska by empowering their relationships with their families and peers. We believe that through the grace of Jesus Christ leading our team, we can help our clients build a foundation of stability with God while learning about themselves and their place in his world. We have been a safe haven for the youth of Alaska for 73 years and we have continued our mission into the new challenges of the times. Today we approach our youth with a supportive team to help our kids navigate their way to becoming successful adults and confident members of our community.

Camp Baldwin endeavors to serve the cause of Christ through servant leadership training and discipleship. God has been working in and through lives of staff and campers for many years, and this summer was blessed with record high numbers of campers. With both salvation and rededication's happening throughout the summer, we give praise to God for His working and protection. Our prayers are for God's provision of staff and Gods leading in developing Camp Baldwin to better serve Christ in the lives of those who attend.

Sunday October 10th

What Now?

What now you ask?

Pray and ask God how He is leading you personally how you can help. Giving to the VSSMO is just one way you can ensure that mission work continues in our great state.

As a church set a faith based goal on giving to the state mission offering.

Pray and ask God's leading about joining the 2000 club, the 2000 club is our opportunity to partner with churches and ministries across the state on capital improvement projects.

As a church look around, Where is God leading your congregation to serve? What is He calling you to step out in faith and do?

**Pray.
Give.
Go.**

Together we can achieve our goal of a gospel centered church or missional family in every community of Alaska!
